All,

Attached please find a significantly revised paper for our 9 am briefing with David F. tomorrow. I would like to send it to him shortly after 4 pm, so **if you have the time and desire to comment before this goes to him, it would be great if you could send comments by 4.**

If you have comments you'd like to share after 4 pm, please share, and we will accommodate them orally or with an updated version of the paper tomorrow at 9.

I sincerely apologize for the short turnaround.
